

## Authorization for Dispensing Medications

Prescription medication must be in their original containers labeled with the child's/youth's first and last name; the name of the licensed physician, physician assistant (PA), or advanced practice registered nurse (APRN) who ordered the medication; the date the prescription was filled; the expiration date of the medication; and specific, legible instructions for administration and storage of the medication. Administer the medication only to the child/youth designated on the prescription label in accordance with the instructions on the label. Non-prescription medications can be given with written permission and direction from the parent or legal guardian. Administer nonprescription medication from the original container labeled with the first and last name of the child/youth according to the instructions on the label.
